# Unit Request Lottery Card For 2023 Use Week

All unit request cards are processed and assigned by a lottery system on the lottery date coinciding with your Use Week as indicated on the Unit Assignment Schedule. Owners who are banking their unit with an exchange company or placing their unit in the Owner Rental program do not need to complete a card. Please list your first choice along with five (5) alternate choices and be advised that Owners may only occupy a specific unit **once every three (3) years**. Coronado Beach Resort accepts this Unit Request Lottery Card only for unit requests. (Note: Unit requests are not taken by phone or in person.)
